

# SURF. SAND. SOFTWARE?

## NO EXCUSES EASY SUMMER PLAN

# All New Version 14

The next few years will not be easy. ICD-10 changes and new claim standards, EMR compliancy, healthcare reform, and tight economic conditions to name a few. Chiro8000's all new Version 14 can make the difference.

Is your software vendor keeping their promises to you? Chiro8000 has been at the forefront of Chiropractic software for over 30 years and is more affordable than ever.
